THE DÖRR

**Bringing people and seasons together
in the heart of Door County**

Group Bookings

We warmly welcome groups both large and small to land and launch at The Dörr. Our blocks can range from 10 guest rooms to 20, depending on your needs. Minimum length of stay restrictions may apply.

Buy Outs

The Dörr is also available for hotel buyouts. A buyout allows you and your group to reserve all 47 guest rooms in our four-story property. This allows for a private party atmosphere for a social gathering of friends and family or an extensive private group retreat.

Buy Out Schedule

November - May

No minimum stay

June - October

2 - night minimum

In the heart of Sister Bay, located steps from the beach, shops and restaurants, The Dörr hotel is the perfect place for group gatherings to experience the pulse of the peninsula. Celebrating the heritage and spirit of Door County through local charm and contemporary design, our freshly modern hotel offers 47 cozy guest rooms featuring spacious balconies, thoughtful in-room amenities and contemporary finishes.

Want to rent out our lobby or patio space? Both are available for private events of any kind. Looking for more dedicated space? We partner with Chop and other local venues to customize social gatherings and corporate events.

Wedding Groups & Social Gatherings

The Dörr is a perfect backdrop for your celebration whether you envision a festive occasion or an intimate experience. We welcome groups to enjoy our lobby lounge and property amenities while making The Dörr your home base for outings throughout the area.

Corporate Retreats & Group Stay

From a few rooms to a full buyout, company meetings, corporate retreats and organizational gatherings will receive a unique and customized experience. We partner with Chop and other local venues to cater to your every need.

*All group reservations are subject to availability and 50% deposit. Cancellation policy is subject to seasonality. The public will be allowed access to our bar and lobby unless exclusive buyouts of these spaces is arranged.
